

The Telephone Man, Inc. Teams Up with Broadvox to Provide Feature-Rich, Cost-Effective SIP Trunking Solutions

Local Companies to Benefit from One of the Largest Global VoIP Networks

HARRISONBURG, VA — February 28, 2008 — The Telephone Man, Inc., the region's leader in business communications, announced a new strategic partnership with Broadvox, a leading provider of SIP Trunking solutions for SMBs and enterprises. The agreement enables The Telephone Man to provide feature-rich, cost-effective SIP Trunking solutions to their impressive list of customers.

SIP Trunking is a viable cost-saving move for small to medium sized companies because it offers several tangible opportunities to increase profits through unlimited local calling, lowered long distance rates and by utilizing existing and new IP PBXs. The reduction in cost per minute for communication provided by SIP Trunking gives SMBs an almost immediate ROI. The Broadvox GO! SIP Trunking solutions provide the flexibility to satisfy virtually any requirement needed by distributed business environments. With phone numbers from over 7,000 rate centers, Broadvox can provide new or port existing numbers nationwide. The Network Operations Center is staffed 24x7x365 to support a robust network that covers more than 90% of the U.S. and Canada. Broadvox GO! SIP Trunking saves users as much as 70% compared with traditional TDM providers.

"We are pleased to present Broadvox's industry leading solutions to our valuable customer base," stated Walter Carr, President of The Telephone Man. "This partnership

with Broadvox will support our mission of increasing our customers' profitability, improving employee productivity, and giving them a competitive advantage in their marketplace."

"SIP Trunking is rapidly increasing in popularity among small to medium sized businesses," said Mark Bresler, VP Channel Sales at Broadvox. "These organizations are realizing the significant economic and technological benefits from the latest in VoIP. The Telephone Man is very well respected in their community and we're fortunate to have partnered with them to enhance the communications of the companies they serve."
